

we are the floor the floor and the flying comes louder  
the floor came to us like we aand weverything comes louder  
came to ir and we were already there the floor came to us like we  
do you listen do you listen liek in a dream  
to the birds? to the birds? tdo they seem alright>  
tdo they seem alright> tdo they seem alright>  
what do they say? what do they say?  
they wer there alreeady beefore me what do they say?  
they wer there alreeady beefore me alreeady beefore me  
we have nothing to say to them we have nothing to say have them  
they build they build we just listen  
they are walking they are jumping they are jumping  
they are flying over us they are jumping  
they are talking to us they want us to know they are talking to us  
we can get there they want us to know  
we need to throw we need to throw our stone into space  
our stone into space and doit over our stone into space  
again again and doit over  
again they breathe again  
they are life they are life they are life  
our life they are more real  
they are more real than sound than life they are more real  
than the sea than the sea  
than the sun than the sun than the sea  
than air . . . . . than the waves  
. . . . .  
. . . . .  
. . . . .
