starts startas doors
sometehing somtething is comein it is is somtething
as if as if a illion tiny tiny is
bugs are buildiing electrical
as if guided as if guided are buildiing
by a speciall force force force they thespewghts them into the ground
and and accepts accepts
d them d them d themd theacccepts
there are shapes therethere shapes
the plain air the air of this building in
forest forest the air of this
of inertness of inertness
organig flimpes of souls organig flimpes off somestness organig flimpes of souls
organicity is building this this
is is granularity
granularity making its way to an ~~as a~~erarity
.. shapes aaare getting higher
and we\, too and we\, too and we\, shapes ~~thare~~ iget ~~ing~~dring
there is a recording
there is a recording
statics statics a stone has been thrown. statstone has been thrown.
a stone has been thrown.
a section
sounds get higher sounds ~~st~~get higher
we start to see the birds sounds get higher
a shape a shape a shape
has been ~~agubed~~ guided been guided
towards a ligher being we have picked up towards a ligher being
and behind it and behind it there was life a stone
a bird a bird there was life
that threw us back a bird
... .. .to where we started
